

Technical drawing of a 10m long extruded aluminum profile. The main view shows a long profile with 12 rectangular slots. Two detail views are provided:

- Detail View 1 (Left):** A circular callout from one of the slots shows a cross-section with dimensions: 30 (height) and 15 (width).
- Detail View 2 (Right):** A circular callout from the end of the profile shows a cross-section with dimensions: 35 (height), 35 (width), 17,5 (inner width), and 42 (total width).
