## SPARTAN LED SPIGOT

If you want the ultimate in frameless glass railing or pool fencing for decking – look no further than the Illuminated Balustrade Spigot by ONLEVEL.

### IT TAKES LIFESTYLE LIVING TO THE NEXT LEVEL!

Ambient lighting is a major feature in any landscape design, and our new elegant frameless spigot glass system brings your whole entertaining area to life. The combination of low iron glass, a patented spigot and LED lighting is unique. The plug and play LED lighting kit is easy to install, and changing lights is a breeze.

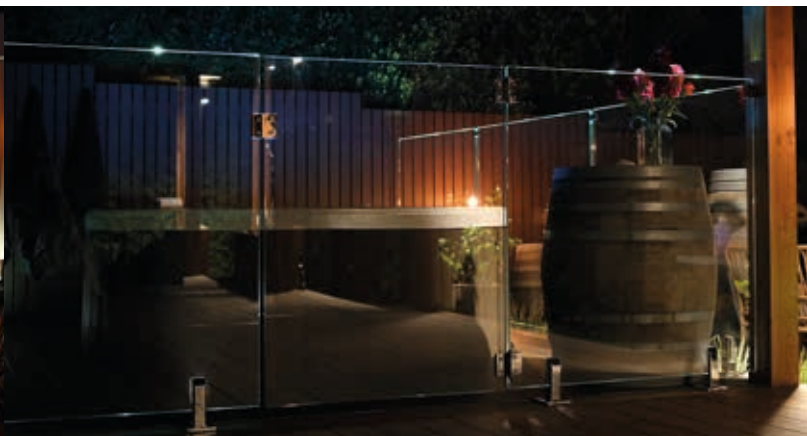

#### Design Features

- | Glass thicknesses, 12 mm, 13.52 mm and 15 mm
- | A combination of a patented designed spigot, LED lighting kit and low iron glass are required to create the ultimate illumination effect
- | Spigots are cast in Marine Grade 2205 stainless steel – ideal for pool side or coastal environments
- | Surface mounted or new core mounted spigot choice
- | Available in matt black or polished finishes
- | Earthing point located on the base of every spigot for safe use
- | LED lighting can be changed without removing the spigot, a unique feature
- | RGB controller gives you sixteen different light colours and three mode settings to choose from
- | Patented design
- | CE Certified LED system
- | The strongest Spigot on the market with a unique honeycomb internal wall structure
