

Technical drawing of a 10m long extruded aluminum profile. The profile features 12 rectangular mounting slots spaced evenly along its length. Two detailed views are provided:

- Side View:** Shows the profile's height of 30mm and the width of a mounting slot as 15mm.
- Cross-sectional View:** Shows the profile's width of 35mm, its total height of 42mm, and the width of the base flange as 17.5mm.
